

## **Legacy West Pioneers Clear a Path**

There are lots of learning curves on the road to adulthood. Making the way a bit smoother was the focus of the Central Council of Legacy West Pioneers.

When one of their members suggested that **Pathways 4 Youth** in St. Cloud could use some help serving their homeless clients aged 16 to 24 with clothing, food items, toiletries and paper supplies, there was no hesitation to give that help.

Legacy West Central Council President Dave Hemmer spread the word of the proposed helping project over the groups network and WOW, what a response. A generous monetary donation from a prayer group at Willmar's Vinje church came in the mail and at a well- attended January breakfast meeting in Sauk Rapids, Pioneers donated checks and items noted on a wish list from Pathways 4 Youth that were soon piled high. It was a bonanza for Pathways 4 Youth.

Legacy West Central Council matched the total value of items and monetary donations with funds from its treasury and presented over \$1200 in funds and more than \$600 in goods to serve client needs.
