I am interested in:  New Member (A)  Transfer Membership (B)  Change to Life Member (C)  Cancel Membership (D)

### Please Complete Only A, B, C, or D

#### A - Become a Member

Annual dues, which helps to fund charitable work in the community is \$22 per year. Current employees are encouraged to participate in automatic payroll deductions which allow .85 cents to be deducted from each paycheck.

I authorize the CenturyLink Payroll office to deduct each year the dues established by the TelecomPioneers of America. I understand that if such pay due me is insufficient from which to make this deduction will be made upon a subsequent pay period. I further understand that this authorization will remain in effect until I terminate my employment, retire or cancel.

Signature \_\_\_\_\_ Date: \_\_\_\_\_

I prefer to pay by check. **CHECK MUST ACCOMPANY FORM**

Former employees can make an *annual payment* of \$22 to become a regular member. Regular members paying by check will receive an invoice once a year requesting payment to continue their membership.

Retirees that have never been a Pioneer may become a life member with a *one-time* payment of \$22. If they have already been a Pioneer they may transfer their membership to the local Life Member Club for no additional cost.

Signature \_\_\_\_\_ Date: \_\_\_\_\_

#### B - Transferring Membership

I am currently a CenturyLink Pioneer and wish to transfer my membership to another chapter, club/council.
