

This September some of the Pioneers assembled, loaded on trailers, drove out into the woods and set up wheelchair deer stands for the Veterans Deer Hunt.

We had several Pioneers helping, Bob White, Denny Houg, Del Rosha, Al Barthel, Denny Johnson, Jim Lang, Gary Studanski, Virg Harren, Merl Leitheiser, Jim Wictor and Mike Hiltner. We hope the Wheelchair bound Vets have good hunting and excellent weather this year. I understand the oldest Vet is a WWII vet who is in his 90's. The other Vets are modern day veterans from Iraq and Afghanistan wars. There were a total 20 stands placed. We were assisted by the Sauk Rapids VFW members.
