

PRESIDENT'S LETTER

JUNE 2018

Hello Pioneers,

Summer is full on us now and we all have demands on our time- Family gatherings and celebrations, vacations and travel and for some, lots of outdoor tasks.

Are you still finding time to get to a Pioneers meeting or lunch or picnic to stay connected? Perhaps you have some spare time to check out our chapter web site, www.mnpioneers.com and as I've mentioned before, the regional Legacy West web page is www.legacywestpioneers.org

In my previous President's Letter I asked for ideas on other projects we can partner on and any creative new ways to fundraise – I've heard of one member working on an idea and would welcome more input. Remember, there is a link on that Minnesota web site to donate directly to your council or the chapter.

I and Central Council president Dave Hemmer and his wife Barb had an opportunity to meet and lunch with Iowa Pioneer Nick Lucy and his wife while they were visiting in Minnesota. It was good to get acquainted and ask him for suggestions on ways to involve Pioneers in Iowa.

The annual Beeping Egg Hunt at MN State Academy for the Blind in Faribault was on May 31 and you can read all about it and see a photo or two at the above mentioned web site.

Here's a photo of me and a student as we "listen" for the beeping eggs. Not so easy!

I hope to hear from any of you soon.

Kathy Hanson, President-Legacy West Telecom Pioneers, MN/IA/SD Chapter
